

Physiotherapy

Brigitte Gerber-Zaugg

- Diploma in Physiotherapy since 1984, Bern, University hospital
- with a private clinic: Physiotherapie in Hittnau, Zürcher Oberland, CH
- Member of the Swiss Society for Music Medicine SMM
- Member of a professional group for Physiotherapists of SMM
- Amateur Musician

Emphasis on treatment also includes:

- Orthopaedics
- Ergonomics
- Neurology
- Physiotherapy for musicians

Musicians should be able to play their instruments with a coordinated musculoskeletal system without discomfort or pain, regardless of age. For this reason Brigitte Gerber-Zaugg will offer her services at the SIMA as a Physiotherapist and musician to treat members of this music meeting (teachers and students) who have questions on the subject of posture or wish a treatment for signs of discomfort or pain.
